To whom it may concern

This is to certify that Ms. Pronoma Banerjee, a first year Bachelor's student of BITS Pilani K.K. Birla Goa Campus, worked under my supervision during 01 June – 31 July, 2020.

She worked in the broad area of analysing computer games and their solutions in classical (C programs) as well as quantum domain (IBMQ environment).

Her performance during the summer internship tenure is excellent. I wish her all the successes in life.
